21. TRANSCRIPT REQUEST FORMS. Instructions: Attached to this Admission Application is one (1) original copy of a "*Transcript Request Form*." Please use it as explained on the form to request formal (sealed) transcripts from all your previous schools. (*Make the necessary number of photocopies of the original if need to contact more than one school.*) In the meantime — while waiting for the sealed transcripts to be mailed to JWCSM — it's very important to mail, email, or fax us informal (unsealed) photocopies of all of your transcripts as soon as possible for evaluation. Send them to the Director of Admissions at John Wesley College. This is the only way we can determine the actual number of prior college credits you have, and the best way to apply them to your record for maximum benefit.

PRE-ADMISSION STATEMENT OF VALUES

22. FAMILY VALUES STATEMENT. As part of John Wesley College, a private, independent, interdenominational college, the Mission Statement of JWC School of Management is to: "*Develop the whole person through a management education anchored in traditional family and Christian Values.*" Accordingly, the JWCSM curriculum is a well-balanced program of general, professional, and biblical studies. Our goal is to assist students in the integration of learning and religious faith, and in allowing the truths of traditional Christianity to condition their understanding of academic disciplines and daily living.

By accepting admission to the JWCSM, all students are agreeing to respect the traditional family and Christian values espoused by the staff, faculty, trustees, and supporters of the institution. All of our campus regulations are designed to allow the fullest possible personal liberty consistent with efficient and effective work; but at the same time to promote the welfare of the entire campus body. Any student whose behavior is dishonest, destructive, unethical, immoral, or in any other way detrimental to the total welfare of the campus body, may be subject to disciplinary action up to, and including, suspension or dismissal from the program.

Specifically, in accordance with traditional Christian teaching, the JWCSM recognizes the following behaviors as being inconsistent with our Mission Statement, and as detrimental to the welfare of our student body:
